Then select ENTER ACTIVATION CODE, enter the activation code you received in your complaint email, then click ACTIVATE. after licenses. After that click OK. As you can see, installing Windows XP in no time! If you want to add or remove any of these elements, you will need to do it differently. Once you've created your copy of Windows XP, copy it to a USB floppy disk, external hard drive, or CD. Remember to use this version to create your copy, and not any other, because in this case all your settings will be lost. Then restart your computer.
